Hi, Andrea,

I did another once over to address any comments and am sending the final draft for your review. We probably won't see the reconciled costs for another week or so, but wanted to get this to you so we can engage with DOJ sooner than later re: their concerns, if any.

Respectfully,

Attached are my suggested changes. What is odd is that there is much variety depending upon what model you look at on notice of liability.

Hi, Andrea,

We're hoping to steal a few minutes discuss the direction of the POTW Notice Letter so we could coordinate with DOJ. If this time doesn't work, please let me know and I can look for times early next week.

Thanks!
